ABSTRACT

Ernia Wahyu Nugrahini. 2024. *The Influence of Implementing Green Banking, Corporate Social Responsibility (CSR), and Growth Opportunity towards Company Value (Study of Banking Companies in Indonesia Listed on the IDX for the 2020-2023 Period)*. Thesis. Management Department, Economic and Business Faculty, Universitas PGRI Madiun. Advisor : Dr. Anggita Langgeng Wijaya, S.E., M.Si., Ak. C.A. Advisor : Liliek Nur Sulistiyowati, S.E., M.M.

This research is motivated by the phenomenon of increasingly fraudulent practices in the banking sector. Fraud cases that often occur in the banking sector are corruption. This could disrupt the stability of the financial system and endanger the national economy. Apart from that, it can influence the implementation of Green Banking, Corporate Social Responsibility (CSR), and Growth Opportunity. This research aimed to determine whether there was an influence of Green Banking, Corporate Social Responsibility (CSR), and Growth Opportunity towards company value.

This research was conducted at conventional banking companies listed on the Indonesia Stock Exchange (BEI) for the 2020-2023 period. The research sample was 161. The research method used was a quantitative approach using multiple linear regression analysis using the SPSS version 22 program. The results of this research were that Green Banking had no effect and was not significant towards company value, Corporate Social Responsibility (CSR) had no effect and was not significant towards company value, and Growth Opportunity has a positive and significant effect towards company value.
