MOTTO AND DEDICATION

MOTTO

“The power of dreams lies not in wishing for it, but in having the courage to pursue it although the journey is filled with obstacles. As long as you hold this life’s principle: ‘be stronger than your excuses and greater than your fears’ and you carry the power of prayer and the blessing of your parents, life will always find a way to guide you and everything is going to be okay; no matter what storms come to you, keep believing that brighter days are ahead.”

DEDICATION

This thesis is dedicated to my beloved parents: Papa (passed away) and Mama, who became my breath, my strength, and my greatest heroes throughout my life. To my beloved Papa, although you are no longer here to witness this achievement, your love, teachings, and memories will forever live in my heart. I hope that wherever you are, you are proud of the person I have become. Every step I take carries a part of you, and this achievement is also a reflection of everything you taught me.

To my beloved Mama, thank you for your unconditional love, endless prayers, sacrifices, patience, and unwavering support. You have stood beside me from the very beginning of my education, from kindergarten to university, and have always done your best to give me everything you could. You taught me to trust Allah in every step I take, to believe in the value of hard work, and to understand that so much can be achieved with so little.

To my beloved family, thank you for being my home, my support system, and my source of strength. Your love, prayers, encouragement, and presence have helped me through every challenge and every uncertain moment along this journey. This achievement would not have been possible without all of you.

And finally, to myself, thank you for choosing to keep going. Thank you for surviving the difficult days, for believing in the dream even when the journey felt impossible, and for having the courage to continue despite every obstacle. This thesis is a reminder that every prayer, every sacrifice, every tear, and every effort was worth it.
